40 George Street Avalon Beach NSW

4 2 2

bringing the luxurious, faraway feel of an island resort to the everyday, this superbly crafted family haven combines an ambience of rare seclusion with an address of convenience, only a 10 minute stroll from village shops and cafes and the spectacular coastline of Avalon Beach.

designed to capture cross breezes and streaming northerly light, it promises a passive solar living environment - warm in winter, cool in summer and bright and airy all year round. recent renovations have transformed the home into a laidback designer haven, whose stunning interiors and alfresco spaces have graced the pages in recent editions of Home Beautiful and the cover of Better Homes and Gardens.
