

AVALON

This unique beach house offers beautiful details and the delight of yesteryear and beachside living at its fullest.

This home has been meticulously cared for and renovated with the beauty and charm of the original Avalon beach house style kept in mind.

An attractive floor plan, the living area is a sanctuary of light and views and the dining area flows peacefully out onto the deck.

Beautiful well established gardens flank this lovely property.

This much loved and cared for home offers a very desirable reflection of Avalon village lifestyle.
