3 2 1

here is a truly once-in-a-lifetime opportunity to purchase a home in one of the most tightly-held enclaves on the Northern Beaches. absolutely private and secluded, without a neighbour in sight, the showpiece of this unique oasis is its intimate, dramatic and incredibly expansive never-to-be-built-out view.

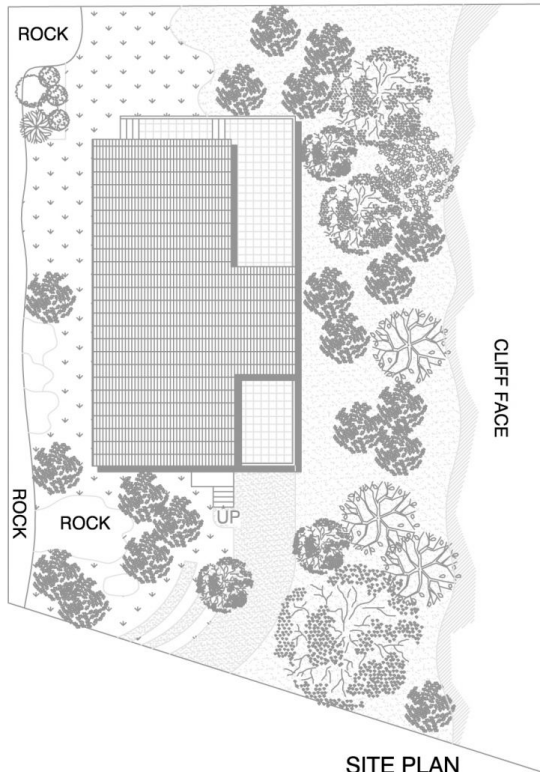

gazing out over the entire span of Narrabeen Lake, it stretches all the way to the surf break at Narrabeen Beach and the ocean beyond. adjoining pristine nature reserve, and set on its own gorgeous parcel of bushland, it has the feel of a far-off coastal getaway, a mere minute from the Wakehurst Parkway and access to the city, transport, local village shops and beaches.

a gorgeous coastal cottage, the home showcases warm timber finishes, raked high ceilings with exposed beams
