Andrew Blake Real Estate is proud to offer this home which is a recipe for relaxation.

Watching the sunset over Pittwater from the comfort of the fabulous alfresco timber deck is a heavenly experience where the outdoor entertaining area will effortlessly cater for any occasion from the stunning deck to the sunny living areas, there's no shortage of beautiful spaces.

Few houses enjoy such a privileged position which is an escape from the fast-paced city life and set against a spectacular bushland backdrop quietly nestled in a private leafy locale.

The orientation of the home maximises the use of natural sunlight and the perfect aspect allows natural light to drench the interior.
