6 3 2

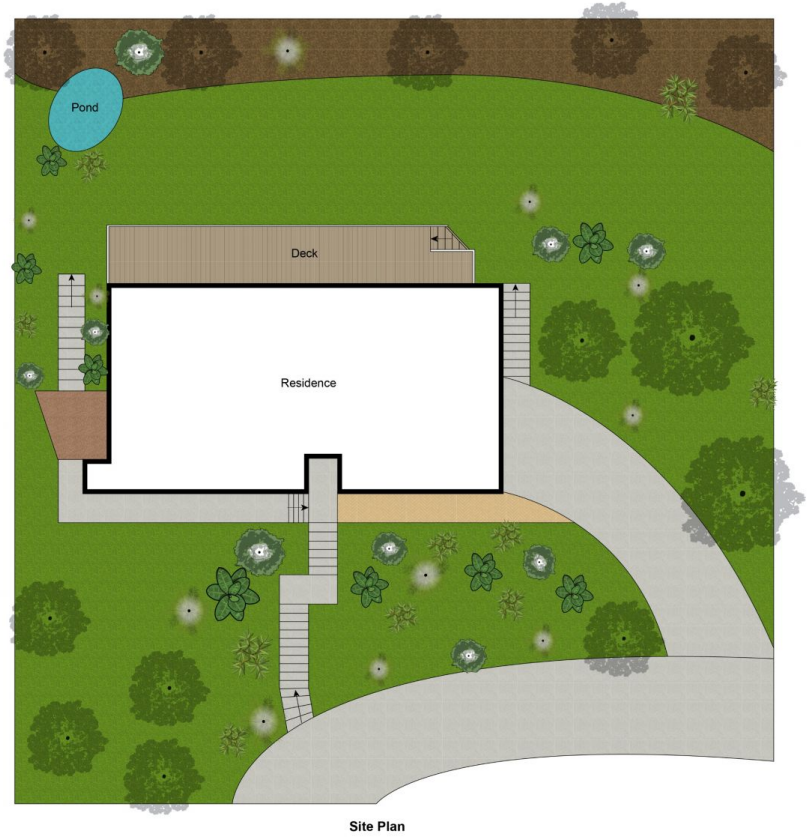

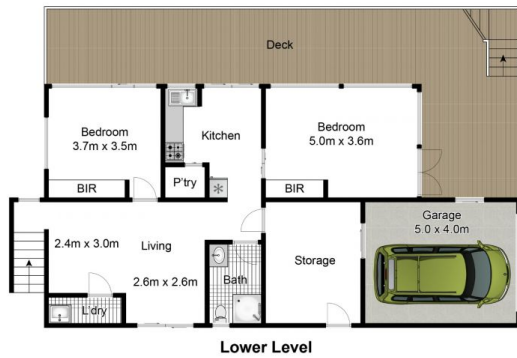

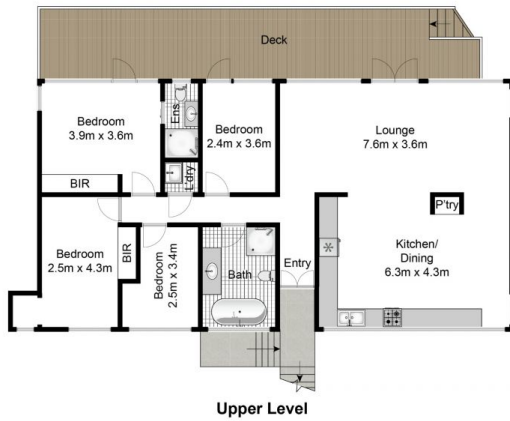

Peaceful and private in a very affordable price range. Tranquil, serene, restorative & utterly relaxing. This is the recurring feedback & basis for the 5 star rating from the many 'airbnb' guests, who have chosen to holiday in this unique and secluded artists' retreat. Only a couple of turns after Avalon Village & you are surrounded by the most stunning ribbon of bushland; teeming with bird life, nature and sunshine. It's just so lovely that you hear yourself sigh and feel your shoulders lighten. It's as if you've been magically transported to an exotic holiday location, a sanctuary far from suburbia, but with the absolute pleasure of knowing there is a buzzing café, surf beach & shopping scene only minutes away.
