The home features three bedrooms including the master bedroom with ensuite. There are large built in robes in each bedroom, a modern kitchen, spacious open plan living room and a spa in the main bathroom.

The main highlight of the home is the sun-filled living area that flows onto a sunny entertaining terrace and overlooks the enclosed yard and level lawns.

Park the car in the single lockup garage, walk to the village or jump onto the bus from the bus stop located at the end of the street.
