You know those dreamy streets you can't wait to jump out and explore? This is one of those. It just hums with unspoilt beauty and sunny vibes. The summer song of birds and cicadas fill the air, whilst the only traffic noise is from a boat peacefully weaving its way across the bay below.

Set back from the street, blissfully private and framed by palm fronds and majestic gums and a due north aspect with serene water views, all the way to the Central Coast. Fortunately, this home has been designed to take full advantage of its magnificent setting and almost every room enjoys deck or garden living.

? Peaceful cul de sac position with dual street access. (Easy street access to double LUG from the private Koala Drive entrance).
