

5/72 Gladstone Street Newport NSW

2 1 1

Got to love a 'smart design' apartment block! Being just a single apartment wide, you get to enjoy triple the aspect without common walls! Add to that, there are no apartment blocks on either side (no neighbours overlooking) plus, the coveted top floor position and 5/72 Gladstone delivers unbeatable privacy. The sunlit leafy outlook from every angle and the afternoon sun pouring in through the balcony fills this apartment with positively tranquil vibes. This meticulously maintained 2 bedroom apartment in a boutique block of 8, can be lived in comfortably as is but nice to know there is still further value to be added with a smart update.

? Neat original kitchen with plenty of storage space and eat-in dining. Open plan living, dining and kitchen
? Balcony off the living room is awash with afternoon sun.
A great place to share a pre-dinner drink before wandering
