The first impression, after the "oh cool, this is a fab location", is excitement! This does not feel at all like suburbia. You're standing outside your own treetop hideaway, in a serene tropical valley, just one kilometre (approx) from the beach and humming Newport village. Come on in, it gets even better! Calm and comfortable, this gorgeous home absorbs the peace from its magical surrounds. The sound of birds, the play of sunlight, the sparkling ocean view create an instant sense of relaxation. It's like flicking on a 'calming' App on your phone. Secluded and private - you just want to kick off your shoes and stay forever.
