

3 Lisa Place Bilgola Plateau NSW

Beautiful (rare) vacant land with total privacy (very rare) and never to be built out views (extremely rare). Lisa Place, is a small, tranquil cul-de-sac with architectural splendour on the rise, recognised for its sublime bushland setting and elevated views across Refuge Cove. Number 3 Lisa Place is offering a 'blank canvas' opportunity to build a unique home to take advantage of the spectacular outlook over sparkling Pittwater and Ku-ring-gai National Park. There is nothing ordinary or suburban about this position, it truly is a breathtaking platform to ensure ongoing value. Imagine sitting in your brand new home, watching the twilight yacht races and the sensational sunsets beyond.

The winning location will make the effort worthwhile.
