

129 Palmgrove Road Avalon Beach NSW

3 1 2

Just behind Avalon Village, at the base of Angophora Bushland Reserve is the most magical sunny valley, teeming with birdsong and nature. When 129 Palmgrove Road was built in 1953, the area was the playground of nature loving artists and beach loving families, keen to carve out a beautiful way of life. So successful was this plan, that this gorgeous home has never before been offered for sale, staying in the one family for 70 years! There is an easy lifestyle to be had here with a level entrance and single level living all within a comfortable stroll to local amenities. Better still, this is no ordinary house, it's a super cool, 1950's original in pristine condition. Built to last, and styled to enjoy.
